

SPLENDID VILLA CLOSE TO NOVENTA DI PIAVE

Close to Noventa di Piave, just a few hundred metres from the big Designer Outlet, yet surrounded and protected by plants and trees, this splendid twenties villa was rebuilt on the site of an eighteenth-century factory destroyed during the war, with architectonic elements that hark back to late nineteenth-century culture and Liberty style features, exposed beams, floors in Palladian style, Venetian terrazzo and oak parquet, marble stairs, tympana and columns, terraces on each floor and a large terrace on the roof. It has three floors above ground and large basement with ceilings over two metres high. Adjacent to the villa, a series of outbuildings feature trusses and porticos. The property has a total of over 2,660 m² indoor area and is surrounded by approximately two hectares of wonderful gardens, with trees, lawns and Italian-style hedging.

There are three access points to the property and a lift could be added.
